

## Behavior Policy

WizEducators seeks to provide a safe, fun, creative and educational camp opportunity. We believe that every child has the right to experience camp and all it has to offer. We believe in setting limits and explaining boundaries for all participants. Each camp, our staff will go over expectations and ground rules of camp life. Campers have the opportunity to ask questions about policies and rules, so that everyone is clear about expectations. When these expectations are tested, we use procedures to help the camper continue his/her experience at camp, such as taking a break, having a conversation, redirecting behaviors and family check ins.

While WizEducators Camps strives to be all-inclusive, any camper conduct, either individually or in a group, that is intentionally disruptive to or designed to be disruptive to the normal operation of the camp program may result in being sent home early from camp. Such conduct includes but is not limited to the following: destruction of camp property, refusing to cooperate with staff attempting to maintain or restore order in the camp, starting or engaging in fights and arguments, trying to harm themselves or other campers. WizEducators does not tolerate campers who harm other campers, whether it is physical or verbal, including degrading, demeaning, threatening other campers or staff, or making fun of others. Any camper involved in such conduct will have their parent/guardian contacted and will be sent home. Our discipline policy attempts to let campers know that while they are cared for, certain behaviors are not acceptable in our camp setting.

I have read and discussed WizEducators camp behavior policy with my camper. We both agree to adhere to the policies and understand that the refund policy states: no refunds for campers going home early for disciplinary actions or sickness.
